Porta-Potti Console

A favorite among fisherman, the 2000CC is just the right size for trolling off the shoreline or chasing down bay dwellers. A livewell and multiple onboard storage lockers and rod racks provide just the right amount of storage. Couple that with an efficient Yamaha outboard and 77 gallons of fuel storage and the 2000CC will go the distance.

LENGTH	20' 3"
BEAM	8'
APPROX. WT	2,100 lbs
FUEL	77 gal
DRAFT	12"
MAX. HP	200 hp

Boats may be shown with optional or dealer installed equipment.
